Business Excellence Award Nomination

- 1. NOTE: This PDF is only for preview purposes. Please submit nominations online [HERE](#).**

The Texas Consilium Business Excellence Award has been established to help Texans expand their vision of what is possible. As we identify Texas businesses and leaders who are on a continuous improvement journey, we want to recognize their efforts – not only as an award for what they have accomplished, but to establish role models for lessons learned and to inspire others to improve and pursue their own journey of excellence.

Nominating a Texas business you know would be a great opportunity to honor them, while possibly showcasing your own case study that helped them become more successful. Whether your organization provides financing, accounting, consulting, legal, human resources, marketing, technology, software, manufacturing, logistics or other services or products to Texas businesses, you likely have a customer, client or supplier that really stands out. Texas companies who believe they exemplify excellence are also welcome to self-nominate.

Nominated companies will be initially screened by Texas Consilium for suitability. Those companies passing this initial screening will be invited to participate further in the evaluation and promotional process.

There is no cost to nominate. Each Nominee who passes the initial screening will be promoted by a Sponsor who agrees to support the Nominee's success throughout this process. As the Nominator you may also be your Nominee's Sponsor, but you will have no obligation to do so. Texas Consilium will seek sponsors to support each Nominee as needed. All approved Nominees and their Nominators and Sponsors will be recognized, with final awards presented at our Texas Consilium Business Excellence Awards Dinner on October 26, 2020 in Frisco, TX. For details and the latest information, visit our website [HERE](#).

Your responses may be copied and pasted directly from this survey, so please check your spelling, grammar, capitalization and accuracy. While you may be able to complete this in less than 15 minutes, you may also find some questions that you

want to give additional consideration before submitting. That's fine. Take as much time as you would like. If you exit before completion you can come back in and resume where you left off, or edit any prior answers. Only after you hit "Submit" at the end will your answers be reviewed for qualification.

Please note that completing this nomination survey, while required for award consideration, does not guarantee your Nominee's inclusion. Inclusion is subject to meeting certain criteria consistent with the mission, objectives and policies of the Texas Consilium. The information you enter is also subject to editing for style, accuracy or other reasons.

If you have questions, please contact Jim Ratchford, Executive Director, at jim.ratchford@txconsilium.org, or by phone to 800-892-2466 x7001.

5. The "Why" for your Nominee receiving the Business Excellence Award

* 8. How does your Nominee exemplify excellence?

Here's the key question for submitting a winning Nominee for the Texas Consilium Business Excellence Award. The award is based on seven criteria: Leadership, Corporate Stewardship, Customer Satisfaction, Operational Excellence, Employee Satisfaction, Strategic Planning and Business Results.

Tell us from your perspective how your Nominee company exemplifies excellence for any or all of the criteria. During our evaluation process, we will further explore each of these areas with the Nominee, so we don't need all of the details from you now -- but your observations will become the anchors for our inquiry and developing the story line for your Nominee.

We may draw from this in our recognition of your Nominee and their Nominator and Sponsor. We recommend writing this to be compelling and inspiring, but above all else, be honest and truthful! You may write up to 1,000 characters.

9. Is there anything else you would like to share?

You do not need to provide any reply to this question. But, if you feel there is something important we should know about your Nominee that isn't reflected in the above questions, here's your chance to let us know.

* 10. If approved, would you like to also be the Sponsor for your Nominee?

- Yes, I would like to be both Nominator and Sponsor.** I understand that the minimum investment to sponsor a Nominee through the video production, evaluation and promotional process is \$2,000. Higher levels of sponsorship are available which include tables at the event, increasing recognition and other benefits. Please count me in as the Sponsor of my Nominee of at least the minimum, and we will decide on the ultimate level of sponsorship later.
- No, I would like to Nominate, but please secure another Sponsor to support my Nominee.** I understand that while I may be recognized as the Nominator, all sponsorship benefits will accrue to the third-party Sponsor.
- Not sure.** Let's discuss after your initial review of my submission.
